The Public Procurement Officer, in the course of the examination, verification of compliance, and evaluation, established the following:

The Ministry of Finance – Directorate for the Management of Public Investments and Public Procurement Policy published, on 29 April 2025, on its official website, a notice with the following content: *"The Ministry of Finance has adopted the Rulebook on Amendments to the Rulebook on the Method of Conducting Simplified Procurements ('Official Gazette of Montenegro', Nos. 16/2023, 20/2023, 36/2023, 114/2023, 49/2024 and 114/2024), which, inter alia, introduces the possibility of electronic preparation of the Statement on Form 2.

Participants in simplified procurement procedures are hereby informed that, for procedures initiated after 1 June 2025, it is mandatory to submit, together with the tender, a statement by the tenderer on the fulfilment of the conditions set out in the request and the absence of conflict of interest, **electronically signed** by the authorised person of the tenderer, using Form 2, which is available in a dedicated section of the electronic public procurement system."*

Furthermore, the Contracting Authority, in the Request for Submission of Tenders, required the submission of the Statement of the Tenderer on the fulfilment of the conditions set out in the request and the absence of conflict of interest – Form 2, as follows:

"Tenderers are required to submit, together with their tender, a Statement of the Tenderer on the fulfilment of the conditions set out in the request and the absence of conflict of interest, **electronically signed** by the authorised person of the tenderer, prepared on FORM 2, as prescribed by the Rulebook on the Method of Conducting Simplified Procurements ('Official Gazette of Montenegro', Nos. 16/23, 20/23, 36/23, 114/23, 49/24 and 114/24)."

Upon review of the tender, it was established that the tenderer submitted the Statement of the Tenderer on the fulfilment of the conditions set out in the request and the absence of conflict of interest – Form 2, which was not electronically signed.

Accordingly, the tender of this tenderer is rejected as non-compliant pursuant to Article 17, paragraph 1, item 1 of the Rulebook on the Method of Conducting Simplified Procurements ("Official Gazette of Montenegro", Nos. 16/23, 20/23, 36/23, 114/23, 49/24 and 114/24), which stipulates that a non-compliant tender is a tender not prepared in accordance with the requirements.
